

NATIONAL SCIENCE WEEK INTERACTIVE WORKSHOP AND FREE!

**How does a mathematician think about and solve problems?
What does 'doing maths' look like?**

Experience why research mathematicians love maths!
Bring your pad and pen.

You'll get to meet and interact with research mathematicians
and fellow students to work on interesting and
challenging maths problems.

MathsCraft
Doing maths like a research mathematician

Interact online via Zoom: Tuesday, 16 August 2022

10:00 – 11:30 am (AEST)

For Years 5 – 10 students, teachers and parents/guardians
